

The image shows the interior of a restaurant with a warm, reddish-orange color scheme. The ceiling features a series of brick arches. In the foreground, there are several tables with white tablecloths, set with glasses and bottles. A long, low booth with a striped cushion and red pillows runs along the right side. In the background, staff members in white uniforms are visible near the bar area. The overall atmosphere is cozy and elegant.

The Main Room is the large dining area overlooking Via Palermo: an elegant yet informal space, characterized by brick arches, large windows, and interior design details inspired by the 1980s and 1990s.

Tables dressed with white tablecloths, wooden chairs, and long upholstered benches create the feeling of an “extended living room”, designed for those who love spending time at the table, enjoying conversation and shared dishes.

The space is bright, welcoming, and versatile: it is the ideal room for most occasions, from business lunches to dinners with friends, always maintaining a warm and convivial atmosphere.

In this room, you can book tables for up to a maximum of 10 people directly on our website via the following link.

Vinyl Room

The Vinyl Room is Veramente's themed space where cuisine meets Italian music from the 1960s to the 1990s. Walls covered with record sleeves, warm lighting, and immersive sound create a unique and festive atmosphere. On Saturday evenings, the room comes alive with our vinyl DJ set, from dinner to the last drink. Upon request, the DJ can also be available for other occasions, at an additional cost.

The space consists of two connecting rooms: the larger room accommodates up to 30 guests, the smaller room accommodates up to 18 guests for a total of 48 seated guests. We host groups from 6 to 48 people. For bookings up to 10 guests, reservations can be made directly through the website. For groups of 11 to 48 guests, it is necessary to fill out the dedicated request form.

The entire Vinyl Room can be reserved exclusively. The rental fee is calculated based on occupied seats and those left available, in order to maintain coverage in line with our regular operations.

The Vinyl Room is the ideal place for corporate dinners, birthdays, parties, and special occasions that deserve a truly distinctive, "full-volume" atmosphere.
